Projects funded by the Office for Recreation and Sport

COMMUNITY RECREATION AND SPORT FACILITIES PROGRAM

In the 2007-08 round of the Community Recreation and Sport Facilities Program the Blackwood Football Club were approved a \$92,000 Community Level Grant for floodlighting.

Junior membership has skyrocketed since the six new lighting towers were installed.

With a new 640 house residential development adjacent, the club is certainly situated well for future growth and with families in mind.

The club is now able to host SANFL games with juniors from Sturt, Norwood and West Adelaide all playing under the new lights

The club is expecting the oval and clubrooms to be better utilised which will certainly offset, if not exceed, the extra cost of running the lights.

The City of Mitcham also contributed \$30,000 to the project, with the remainder of the \$180,000 project coming from the fundraising over the last two years.

For more information about the club visit their website:
